**COPYRIGHT TRANSFER:**

The undersigned author(s) hereby transfer all copyright ownership of the manuscript, including any supplementary material (the “Article”), to the International Journal of Advances in Applied Mathematics and Mechanics (IJAAMM), effective upon acceptance for publication. This transfer covers all forms and media, including electronic and print formats, and includes the right to reproduce, distribute, and archive the article worldwide.

**Authors retain the right to:**

- Use the article for academic and teaching purposes
- Share within their institution
- Include in theses and dissertations with proper citation

**AUTHOR DECLARATIONS:**

The author(s) hereby certify that:

1. The manuscript is original and has not been published previously.
2. The manuscript is not under consideration elsewhere.
3. The work does not infringe upon any copyright or intellectual property rights.
4. All sources have been properly acknowledged.
5. The article contains no unlawful or defamatory content.
6. All co-authors have approved the final version of the manuscript.
7. The corresponding author is authorized to sign on behalf of all co-authors.
8. The journal is authorized to edit, modify, and make necessary changes for publication.
9. The authors have not assigned rights of this article to any other individual, institution, or publication.
10. The authors agree to indemnify the journal against any legal claims arising from breach of these declarations.
11. Any conflicts of interest have been disclosed by the authors.

**AUTHOR AUTHORIZATION:**

- I am the sole author of the manuscript
- I am the corresponding author authorized to sign on behalf of all co-authors
